PERSONAL GUARANTEE

The guarantor(s) named hereunder (the guarantor) acknowledges by signing below that such person(s) have read the provisions of the personal guarantee set out below and understands the nature and effect of the guarantee. Such person(s) agree that they are bound by the guarantee.

Guarantee

In consideration of AJ AUTO entering into this agreement and/or credit arrangement with the customer the guarantor guarantees to AJ AUTO the due and punctual payment by the customer of all moneys payable under this agreement and the due and punctual performance of all obligations, duties, liabilities and undertakings of the customer under this agreement.

- (a) Although as between the guarantor and the customer the liability of the guarantor may be that of a surety only, as between the guarantor and AJ AUTO the guarantor will be deemed to be a principal debtor and not be released by any act, matter or thing the happening of which would release one liable only as a surety;
- (b) The bankruptcy or liquidation of the customer or the guarantor or the giving of time or any indulgence by AJ AUTO to the customer or the guarantor or any one or more of them or any other person or the exercise or non-exercise by AJ AUTO of any of the powers under this agreement or the release or partial release or variation of this agreement or of any collateral agreement or other security at any time held by AJ AUTO or any other dealing whatever by AJ AUTO with the customer or the guarantor or any one or more of them or any other person shall not exonerate or release the guarantor from its liability under this agreement, nor will the guarantor be released by any other act, omission, matter or thing whereby the guarantor as a surety only would have been released;
- (c) This guarantee is a continuous guarantee until all of the obligations of the customer under this agreement have been fully discharged;
- (d) The guarantor agrees to indemnify AJ AUTO from and against any liability, loss or damage which AJ AUTO might incur by reason of any breach by the customer of the customer's obligations under this agreement or by reason of this agreement being or becoming void or unenforceable.
- (e) When two or more guarantors are parties to this Guarantee the obligations and agreements herein contained or implied shall bind them jointly and severally.
